CONVENTION !..... 11

Arnold D., former Chair of the [then] National Service Organization of SAA, and Chair of the Prison Outreach Committee for several years, passed away during the night of January 6th and 7th, 2002. He had suffered for several years with “Lou Gehrig’s Disease” [ALS]. There was a regular meeting of SAA at Arnold and Ila’s home each Friday. He was there on January 4th. The PBR has received many letters in memory of Arnold. They are assembled together in this issue.

Bridge to Freedom Convention seeks Workshop Presenters

The Program Committee of the Bridge to Freedom convention are working to put together a fabulous program consisting of workshops and panels. We need your assistance to create an exciting program that meets the many needs of our fellowship. Whether you have presented before or are thinking about presenting for the first time, we would love to receive your proposals. Past workshops and panels have dealt with many topics related to sex addiction recovery including, The Steps, Tools of the Program, Healthy Sexuality, Sponsorship, Prayer and Meditation, and Outreach. The ISO suggests that workshop presenters have one year of abstinence from their inner circle behaviors.

If you can’t decide on a workshop topic, consider what you are passionate about in your own program. What has helped you to stay abstinent? Presenting a workshop or panel is a wonderful way to carry your experience strength and hope to other sex addicts.

Presenter Forms are available through the ISO office, or I am happy to email one to you. You can reach me at info@saa-recovery.org.

We look forward to your participation in the 2002 Bridge to Freedom convention.

In recovery,
Frank B. Program Chair/ Bridge to Freedom
